

# Jacob Nelson-Stone

Professional  
Musician/  
Production  
Technician

## PROFILE:

I am a professional musician and a production technician. I am a dedicated, detail and task oriented, and hard-working person. I have a very versatile work background that has given me a vast knowledge of different skills that I can apply to various projects.

## ACADEMIC BACKGROUND:

### PSEO AT NORTH CENTRAL UNIVERSITY

2017-2019

- Dean's List, 2017-2019
- Studied music fundamentals, music business, and audio engineering.

### STUDIED UNDER GUITARIST MICHAEL POPE

2020

- Took lessons with Michael Pope, a professional session guitarist.
- Learned about professional development, networking, music directing, and how to add cohesive sound to live session work.

## PROFESSIONAL HISTORY:

### PRODUCTION TECHNICIAN

#### **Alclair Audio**

2019 - Present

- Staying up-to-date with efficient methods of production and equipment maintenance procedures.
- Inspecting machinery and reporting any faults to management.
- Meeting with management to troubleshoot, ensure, and improve product quality.
- Collaborating with skilled technicians to ensure high-quality standards.

### MUSIC DIRECTOR

#### **Living Word Christian Center**

2016 - Present

- Assessing the rhythm, tone, voice, and skills of each musician and developing a good understanding of their individual abilities.
- Teaching in the moment by providing vocal and instrumental demonstrations where necessary.
- Leading and supervising rehearsals and performances.

## AREAS OF EXPERTISE:

- Proactive at diagnosing potential problems
- Can independently work through issues
- Creative problem-solving skills
- Manual dexterity
- Written and verbal communication skills
